Jakson Group won bid for O&M of NTPC Bhadla Solar Power Plant

0 0 0 0 0 0 MORE

Noida : To strengthen its legacy as an energy solution provider, Jakson Group, one of the India's fastest-growing energy companies, won a bid for comprehensive Operation and Maintenance (O&M) for 260 MW Bhadla Solar PV Plant located at Bhadla Solar Park in BAP, Rajasthan.

Jakson Group will have the responsibility to continuously monitor the site for all kinds of preventive and corrective maintenance issues including plant performance, and regular upkeep of various plants components and equipment, warranty claims, spare parts inventory and various other onsite ground services. With the help of technologically advanced methods, the

company will commence the Operation and Maintenance services from May 13, 2022. This will generate employment opportunities & improve the livelihood of locals.

The solar plant, spread over a total area of 525.39 acres, comprises 4 sections of 65 MW each. It was initially installed and commissioned by Jakson Group along with TATA Power Solar and Vikram Solar. The plant was commissioned on March 25, 2017, and has been under commercial operation since then.

NTPC invited online bids of O&M on December 29, 2021, for three years, and Jakson Group takes pride in sharing the achievement of its O&M team, which competed with multiple technically qualified companies and emerged as a winner. With a bunch of experienced industry professionals, Jakson currently manages over 750 MW of solar assets in India.

About Jakson Group

Established in the year 1947, The Jakson Group has diversified from a Diesel Generator Manufacturing Organisation into an Energy Solutions Company, providing expertise in the fields of Distributed Energy, Solar Power, Battery Energy Storage System & Solar and Electrical EPC. The Company has an extensive presence throughout India with 5 manufacturing facilities, 30+ Sales Offices and a wide network of channel partners and dealers making it one of the top 10 energy companies in India. The company emphasises on providing superior quality products and offers the most viable & cost effective solutions to its clients backed by the long standing expertise in the Energy Industry. For more information on the Company.
