Jakson Group's Chairman and Managing Director, Sameer Gupta has been elected as Chairman, CII National Committee of Aatmanirbhar Bharat for Renewable Energy Manufacturing for the year 2022-2023.

Sameer Gupta, Chairman And Managing Director, Jakson Group

A second-generation entrepreneur, Sameer Gupta joined Jakson in the year 1991 and led its transformation from a genset manufacturing company to India's prominent energy & infrastructure company, having expertise in Distributed Energy, Solar Solutions, EPC Solutions & New Energies like Battery Energy, Hybrids & Hydrogen Solutions. Sameer is a graduate in Electronics Engineering from Pune University and an alumni of Harvard Business School.

Speaking about the role, he said, "It is a great honour and pride to be elected as Chairman of CII National Committee of Aatmanirbhar Bharat for RE Manufacturing, We, at Jakson Group, believe that the dangers of climate change are mounting rapidly and organizations that do not tread the path of decarbonization will get left behind. While nations worldwide are making efforts, businesses and citizens also need to act and work towards making a significant impact in reducing GHG emissions" With this new responsibility, I feel inspired and further motivated to strive harder towards the net-zero goal. I would like to thank everyone for your wishes and hope to meet or exceed expectations of all stakeholders".
