Himanshu Patel, a company named Epic Stories, is doing wedding photography of celebrities and others

Published 2 months ago on May 18, 2022
By apn news

It is said that where there is a will, there is a way. This proverb was translated into reality by Himanshu Patel, a young man coming from Chhatarpur, a small place in Madhya Pradesh, who studied engineering, but wanted to do something else. That's why he took the camera and became a wedding photographer today. Himanshu Patel is doing wedding photography today by living in Mumbai and for this he has also formed his company 'Epic Stories'. Now Himanshu is very famous for wedding photography among other people as well. This is the reason that now he is seen doing photography not only in the country but also in the weddings held abroad also.

Every parent expects their children to do something good. This hope was also from Himanshu Patel to his parents. So Himanshu did his engineering from GSFTS Indore, but by the end of the year
